Introduction

The Michigan Drum Corps Scholarship Fund experienced its first full month in operations during September and sponsored the first of many future students seeking to participate in a member organization of Drum Corps International. The scholarship fund reached a number of milestones during the month, including but not limited to:

- Creation of the scholarship fund website at www.midrumcorpsfund.org
- Rollout of the scholarship application on the website
- Inaugural board meeting and inaugural disbursement committee meetings
- Submission of the Form 1023 to the Internal Revenue Service for tax-exemption
- First disbursement made for a Michigan student interested in joining a drum corps for the 2020 season

The Board of Directors would like to formally thank every individual associated with the creation of the scholarship fund. We could not have made it this far without your continued support!

Monthly Financial Recap:

Liquid assets on hand: \$433.74

Donations: 4 donations received during September totaling \$844.00.

Disbursements: 1 program related disbursement during September totaling \$200.00.

Financial Narrative

September marked the first month of operations for the fund under its declared fiscal year. Cash for the month is \$397 higher than start-up funds deposited in August. \$205 of this is currently restricted to maintain minimum reserve requirements.

Program related expenses are up \$200 from August for audition materials and camp registrations. Administrative expenses are down \$107 from August as many of the start-up expenses were paid in the prior month. We anticipate program expenses to increase as more applications are submitted and administrative expenses to decrease in future months as most of the initial fund costs have been paid.

No funds are currently restricted by outside donors. All restrictions made by the Board are included under Unrestricted Funds in accordance with Generally Accepted Accounting Principles in the United States.
